

## A MEMORABLE START

We are beyond blessed to have another wonderful start to a brand new year. The 2018-2019 school year has been smooth sailing. As always our teachers outdid themselves preparing the classrooms for your children and creating an atmosphere for fun and learning. We are especially thankful no hurricanes came knocking on our door and our

Grand Friend's Day went as planned. What a turnout we had! It was such a joy to see our Opening Ceremonies filled with loved ones ready to celebrate family. Each class created a keepsake and enjoyed a treat together with Grand Friends.

Though it was a hot one thankfully the rain stayed away for our Back to School Social/Open House. Thank you to everyone who took the time to join us. We had so many families we actually ran out of hot dogs. With the extra play time and running around, Mr. Cote' was busy fulfilling the snow cone wishes of the little ones. We hope you were able to spend a good amount of time in your child's class and that they gave you the grand tour of their room.

Every year our school campus and playgrounds get a serious sprucing up. This year the number of volunteers that came to help spread mulch, clean, and general playground maintenance was astounding. It was an early morning but we are so grateful for all the families who assisted. We even had Coach Davidson and the St. Pete College Lady

Titans come out and volunteer their time. As the saying goes... "Many hands make light work."

As the school year continues please be sure to look at your calendar for upcoming events. We will also send home a monthly events flyer and email reminders for updated information. If you do not receive our emails please see Petie in the school office to be sure we have your correct email address. All events are posted on our website located at [www.pasadenacommunitychurch.org](http://www.pasadenacommunitychurch.org).

## IMPORTANT-STUDENT FILES

Ms. Petie has been busy in the office sorting through student files to make sure we are in compliance with the Pinellas County Licensing Board. If you are to receive a parent notice form or email regarding missing paperwork it is imperative the information is brought to the office in a timely manner. Required forms from the pediatrician office may take time or require an appointment so please be diligent when noticing the expiration dates given to you. We thank you in advance for all your help in making sure these files are 100%. Failure to do so may result in your child not being able to attend until all required documents are turned in.

## LUNCHEONS

Our awesome staff was blessed with a wonderful lunch in September sponsored by Purple Dot. The Purple Dot FAC representatives, Maria Grantham and Ashley Frazier organized the lunch that

was donated by Feola's and Spiros.

The staff enjoyed baked ziti and a greek salad. Bella's Bakes Cakes and Bagels also donated a divine cheese-cake that was devoured. A big thank you also to Purple Dot families for donating drinks, paper products, and additional desserts. Our staff looks forward to these monthly appreciation lunches and as always we truly appreciate our families for taking the time to organize and provide them.

## ACTIVITIES IN FULL SWING

Every month our students are fortunate to enjoy an activity presented to them by various community groups. In September one of our favorites, Timeless Tales, put on an entertaining and lively show of "Jack and the Beanstalk." Our own Red Dot teacher Ms. Melissa was chosen to play the part of the cow. What a treat that was for the children to see her up on stage. Lots of laughter and silliness made this an enjoyable experience. On October 18 we have special visitors from Azalea Middle School coming to perform for the children. Under the direction of one of our own parents, Mr. Scott Browning, the Azalea Middle School drama and arts program will present a show for all to enjoy. These activities are funded by the activity fees and we welcome all students to join. If any activity falls on a day that is not your child's scheduled day we highly encourage you to join your class for the activity.
