

Volunteer Opportunities

Greatness. Purpose. Significance. Impact.

Each one of us was uniquely designed for the purpose of serving God and others. Serving with our time and talent is a significant part of worship to God, and makes it possible for Pasadena Community Church to impact even more lives with God's love and acceptance.

Prayerfully explore the current volunteer opportunities listed below and indicate:

- Where you are actively serving
- Where you are interested in serving and we will help you connect!

Please complete both sides of the form and return to the Volunteer Ministry Team or to the Church Office.
