

PASADENA COMMUNITY CHURCH
PRESCHOOL
112 - 70th Street South
St. Petersburg FL 33707

Dear PCCS Families

6/02/2021

After much consideration, prayer and dialogue with church and school leadership we have decided to retract some of the pandemic restrictions for our summer session at PCCS. Please be aware that we are doing so with the utmost consideration for the health and safety of our staff and families and to better align with current CDC recommendations. Please review the following revisions to our current Covid-19 protocols effective June 14, 2021.

- PCCS will suspend the temperature screenings of students upon arrival and families will no longer need to use their assigned classroom gate when entering the campus.
- PCCS staff will continue to wear face coverings while inside the classroom and with children.
- Adult family members and elementary age children will no longer be required to wear face covering when they enter the campus and while outdoors. Face covering will be optional outdoors on campus. Adult and elementary age children will be required to wear face coverings when they enter a classroom for a duration of more than 10 minutes.
- Groups of children will be combined (by age group) indoors and outdoors for early drop off and afternoon care as well as children's chapel in the Hamilton Hall.

We will continue to adhere to the following safety procedures and revisit and review all Covid-19 protocols for the 2021-2022 school year.

- Each child will continue to bring individualized snacks and a water bottle for outdoor time daily.
- Handwashing and sanitation procedures will still be frequently emphasized throughout the day.
- Family exposure and positive Covid-19 results must still be reported to the school for notification to the Pinellas County Health Department for recommended mitigation or student quarantine measures.
- Students sent home from school with a fever of 101.0 F or higher will be asked to see their pediatrician before returning to school.
- All families and staff will be expected to continue following CDC recommendations and protocols for travel and when not in the school environment.

As always, thank you for your continued support and faith in our leadership decisions at this time. If you have any questions or concerns please contact me in the school office by phone or email.

Respectfully,
Eugene Cote'
Preschool Director
