

# What is TRAPPED?

TRAPPED is a classic All Nighter with a twist...survival. You are placed in a building which you may never leave with "an eliminator" that will not quit until only one student is left. The night will start with two teams. Then every hour, on the hour, there will be an immunity challenge. The team that wins will receive immunity for that hour. The team that loses will go to the elimination round where team members will be eliminated. As the night goes on, the two teams will be combined into one. From there, only one will survive! Will you be the survivor and beat out the competition to win the grand prize worth \$100? Prizes will also be awarded to 2nd place and the person who brings the most friends.
